*This community did not have its own FIRM prior to the initial countywide FIS. The land area for this community was previously shown on the FIRM for the unincorporated areas of Johnson County, but was not identified as a separate NFIP community. Therefore, the dates for this community were taken from the Johnson County FIRM.

MAP DATES

This FIRM index displays the map date for each FIRM panel at the time that this index was printed. Because this index may not be distributed to unaffected communities in subsequent revisions, users may determine the current map date for each FIRM panel by visiting the FEMA Map Service Center website at <https://msc.fema.gov> or by calling the FEMA Mapping and Insurance Exchange at 1-877-336-2627.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM index. These may be ordered directly from the Map Service Center at the website or number listed above.
